Misc./Handling	0.00
Total \$ (USD)	\$131,562.77

Est. Weight (lbs)
15,657

Terms and Conditions of Sale:

Terms are Net 30 from the date of invoice, upon credit approval; finance charges will be applied to any unpaid balances after 60 days at a rate of 1.5%. Credit card purchases are subject to a 3% processing fee. Optional / As Needed / As required are not included in total price or shipping/handling cost and will not be shipped without written notification from customer accepting the additional charges. Pricing does not include unloading, assembly or installation.

If a freight estimate is provided, it is based on one shipment with standard delivery and is subject to change; construction site, special delivery requirements, partial and rush shipments will be subject to additional freight charges.

- Quotes will be open for two (2) weeks from the date of issuance and, thereafter, will automatically expire.
- Product (subject to availability) that is the subject of an accepted quote must be released for shipment within thirty (30) days from the date of issuance of the applicable quote.
- Orders that fall outside of the above parameters are subject to an additional surcharge, which surcharge will be based on changes in the scrap market indexed as published by the American Metals Market <https://www.amm.com>.

Sportsedge does not assume responsibility for material take-off; it is the sole responsibility of the customer to verify correct quantities and specification suitability of the items pertaining on this quote. Product drawings and specifications are available upon request.

Missing Material must be reported to Sportsedge customer service within 48hrs of receipt of shipment. Damaged Material must be noted on bill of lading at final destination point. Receiver must file a freight claim with the carrier.

If no sales tax exemption form is supplied with purchase order; Local/State Sales Tax may be billed in addition to the above pricing.*

Unless specifically itemized or noted as included in material description, Stamped Engineering Drawings and associated calculations are not included in material pricing above. Please reach out to SportsEdge for pricing, if required.

California Prop 65 Warning

WARNING: These products can expose you to chemicals such as nickel, lead, chromium, cobalt, styrene, methylene chloride, or silica, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
