

SECTION 12 93 00

SITE FURNISHINGS

PART 1 - GENERAL

1.1 SCOPE

- A. Furnish labor, material and equipment necessary for the installation of the site furniture and amenities as shown on the drawings and as specified herein
- B. Work shall include but not limited to layout; excavation; backfill; provision of site furniture and amenities and all associated parts and equipment; footings and foundations as required; and the erection and installation in accordance with manufacturer's specifications.

1.2 SUBMITTALS

- A. **PRODUCT DATA:** The Contractor shall submit complete sets of the material and equipment submittals per Section 01 33 00, including manufacturer's name and address, specific trade names, catalog and model numbers, illustrations and descriptive material, clearly marked as to proposed items for approval by the A/E.
- B. Shop drawings by a Nevada licensed engineer for the following:
 - 1. Football goal
 - 2. Discus cage
- C. Approval of the submittals shall be the Contractor's authorization to order the required material. There will be no deviation from the approved submittals without the written authorization of the A/E.

1.3 WARRANTIES

- A. All site furniture shall include a minimum one (1) year full replacement warranty for manufacturer's defects.

1.4 MANUFACTURERS

- A. If all the parameters, specifications and design intent of the drawings are met, the following list of manufacturers with acceptable equipment model/series designation(s) would be acceptable for use. "Or Equal" substitutions are acceptable, but must be submitted under the provisions of Section 01 25 00 Product Substitutions.
- B. High Jump Landing System
 - 1. Gill Athletics: 800-637-3090
 - 2. Jaypro Sports: 800-243-0533
 - 3. Sportsfield Specialties: 888-975-3343
 - 4. Or Approved Equal

- C. Pole Vault Landing System
 - 1. Gill Athletics: 800-637-3090
 - 2. Jaypro Sports: 800-243-0533
 - 3. Sportsfield Specialties: 888-975-3343
 - 4. Or Approved Equal
- D. Pole Vault Box and Lid
 - 1. Gill Athletics: 800-637-3090
 - 2. Jaypro Sports: 800-243-0533
 - 3. Sportsfield Specialties: 888-975-3343
 - 4. Or Approved Equal
- E. Football Goals with direction flags and safety padding. Contractor to provide two sets of goals.
 - 1. Model #SEF305P, with Goal Post Pads. Available through SportsEdge, 866-335-7622.
 - 2. Model #FBGP-820, #WS-42, and #PPP-800. Available through JayPro Sports, 800-243-0533.
 - 3. Model #FB28120, #F3550, and #F30201. Available through Gill Athletics 800-637-3090.
- F. Discus Cage
 - 1. Jaypro Sports: (900) 243-0533
 - 2. Sportsfield Specialties (888) 975-3343
 - 3. Or Approved Equal
- G. Landscape edging at shot put and discus mix.
- H. Shotput and Discus Aluminum Circle. Surface mounted, size per sport. Shotput toe board to be compatible with shotput aluminum circle.
 - 1. BSN Sports: (800) 856-3488
 - 2. Gill Athletics: (800) 637-3090
 - 3. Blazer Athletic Equipment: (800) 322-2731
 - 4. Or Approved Equal
- I. Surface Mount Bench:
 - 1. Model #LEXC6. Available through Anova 800-325-3047
 - 2. Model #Lily. Available through Victor Stanley 800-368-2573
 - 3. Or Approved Equal
- J. Surface Mount Waste Receptacle with Concrete Pad Base:
 - 1. Model #LEX45. Available through Anova 800-325-3047
 - 2. Or Approved Equal

PART 2 - PRODUCTS

2.1 PRODUCTS

- A. Design and Fabrication: Site equipment submitted for consideration shall be equivalent in design, size, type, style, appearance, color and construction detail of the site equipment as specified in the drawings. Site equipment, as specified, has been considered in the overall design intent of the Project. Reasonable variations in size +/- 10%, and manufacturer's standard colors will be allowed.

- B. Modification: Any expense of modification, adjustment or revision required to ensure compliance of furnished equipment to specified equipment and design shall be the sole expense and responsibility of the Contractor.
- C. Football Goals: Two sets of National Federation of State High School (NFHS) high school football goals. Install per manufacturer specifications.
- D. Pole Vault Landing System: NFHS Compliant landing system as noted on the drawings. Install per manufacturer's specifications.
- E. High Jump Landing System: NFHS Compliant landing system as noted on the drawings. Install per manufacturer's specifications.
- F. Discus Cage: Discus Cage: 6 posts, 6 ground sleeves and netting, 14' height. Install per manufacturer's instructions.
- G. Landscape Edging at Shot Put and Discus Mix
 - 1. L-curb or 'J' style high quality rubber curb or edge with flat top.
 - 2. Minimum 2" wide, maximum 3 ½" wide.
 - 3. Install per manufacturer's specifications.
- H. Padding for poles and posts. See plans. Padding minimal thickness, 6-inches. Durable heavy weight, UV resistant outdoor vinyl cover. Minimum 6'-0". Designed and/or ordered to fit post or pole diameters, or dimensions and sizes to work with other structures requiring padding. Install per manufacturer's instructions.
 - 1. See plans for additional information.
 - 2. Exterior color: Submit standard colors for owner selection.

PART 3 - EXECUTION

3.1 INSTALLATION

- A. Install all site equipment and components at locations shown on drawings; properly aligned and spaced; plumbed vertically; complete, and ready for use.
- B. Install all site equipment and components in accordance with manufacturer's specifications and instructions.
