IMPROVEMENT OR DRILLING PROPOSAL TERMS AND CONDITIONS

1. Prior to improvement installation, drilling or any other activity of TIBERTI on job site, CUSTOMER shall at its cost obtain any required building permits and provide all submittals required for such permits, including plot plan or site plan. TIBERTI shall be entitled to an Extra Charge if TIBERTI provides building permit assistance, although TIBERTI shall have no obligation to do so. If it is determined that purchased improvements require modification to comply with code, building permit requirements or similar requirements, such modification shall be made at the cost and expense of CUSTOMER.

2. Installation of fence posts and other improvements and any hole drilling require use of "mechanical equipment" in an "excavation" as those terms are defined and used in Nevada Revised Statutes 454.080-455.180 ("Call Before You Dig Law"). If fence posts, any such improvements or any drill holes are to be located in an area that is known or reasonably should be known to contain an underground utility line (pipeline, conduit, cable, duct, wire, sewer line, storm drain or other structure located underground, including street lighting conduit and wire and traffic signal conduit and wire), CUSTOMER shall be the party "responsible" for the "excavation" under the Call Before You Dig Law. Before installation or drilling, CUSTOMER shall timely (i) notify and supply all required information in writing or at 1-800-227-2600 at least 2 working days before installation or commencement of drilling, (ii) meet with underground utility representatives as requested, (iii) mark all areas of "excavation" and (iv) have all underground utility lines located, identified and marked, all as provided in the Call Before You Dig Law. In addition, CUSTOMER shall determine, locate, identify and mark any other underground utility lines on or in the immediate vicinity of job site which could be located in an area of fence post or improvement installation or any drilling and which are not located, identified and marked as provided in the Call Before You Dig Law. CUSTOMER shall be at job site or have supervising personnel at job site prior to any installation or drilling to make TIBERTI crews fully aware of the exact location of all underground utility lines on or in the immediate vicinity of job site.

3. TIBERTI's obligations shall not include any grading or surveying, all of which shall be the sole responsibility of CUSTOMER. TIBERTI shall not be responsible for removing any existing fencing, trees, landscaping or improvements unless specifically stated on the page 1 (front of original document). CUSTOMER shall provide TIBERTI with continuous truck and pedestrian access to all work areas on job site. Unless grossly negligent TIBERTI shall not be responsible for damage to property improvements (including, but not limited to, driveways, sidewalks, curbs, pavement, walkways, lawns and other landscaping and improvements) occurring during performance of the work or the ingress or egress of workers, materials or equipment to or from job site.

4. CUSTOMER warrants and represents to TIBERTI that CUSTOMER either owns or has the right to occupy job site and the authority to grant to TIBERTI a license to enter upon job site for all purposes contemplated in this document. CUSTOMER hereby grants to TIBERTI a license to enter upon job site to assemble, store, erect, construct and install improvements or perform the drilling activities that are the subject of this document. CUSTOMER acknowledges that all stored materials and all improvements that are not permanently attached to real property are personal property, ownership of which shall remain with TIBERTI until paid for in full by CUSTOMER. If CUSTOMER fails to timely pay any invoice when due, in addition to any other rights and remedies, TIBERTI shall have the right to enter upon job site and disassemble and remove all such materials and improvements. CUSTOMER hereby grants to TIBERTI a license to enter upon job site for such purposes, which license shall not be revocable by CUSTOMER so long as any materials or improvements for which payment has not been made in full are located on job site.

5. TIBERTI warrants that when fully erected, improvements shall be free of defects in workmanship and materials for 1 year following substantial completion. TIBERTI shall not be responsible for defects brought to its attention after 1 year. The foregoing is in lieu of any other warranty, express or implied. TIBERTI makes no warranty or representation, express or implied, that improvements are appropriate or fit for any particular purpose or use.

6. If any term or condition in this document is determined to be void or unenforceable, any portion of the term or condition which shall be valid and enforceable shall nonetheless remain enforceable, as shall all other terms and conditions. This document shall bind and inure to the benefit of the heirs, executors, administrators, representatives, successors, assigns and grantees of the parties. This document contains the entire agreement between the parties and supersedes and replaces all prior or contemporaneous discussions, negotiations, correspondence, understandings and agreements between the parties regarding the proposed improvements. This document may be amended, supplemented or modified by, but only by, a written document executed by both CUSTOMER and TIBERTI. Neither party shall have the right to rely upon, and neither party shall be bound by or subject to, any agreement, statement, assurance, covenant, warranty, guaranty, representation or waiver unless it is in writing and signed by the party charged with making the same.

7. CUSTOMER hereby waives all future claims of CUSTOMER against TIBERTI for special, punitive, consequential or exemplary damages incurred by CUSTOMER as a result of any act or omission of TIBERTI or its employees with respect to TIBERTI's agreements, duties or obligations under this document. CUSTOMER and TIBERTI hereby waive any right to trial by jury, and CUSTOMER hereby waives all claims of CUSTOMER, including subrogation claims of CUSTOMER's insurers against TIBERTI and TIBERTI's employees for any personal property, landscaping or real property improvement loss or damage on or about job site that is insured or partially insured under any insurance policy in which CUSTOMER is an insured. CUSTOMER shall indemnify TIBERTI and its employees and hold TIBERTI and its employees free, clear and harmless from all penalties, fines, claims, liabilities, damages, costs and expenses, including attorneys' fees, incurred incident to, resulting from or arising from (i) any contact with, exposure of, or damage to any underground utility line by TIBERTI or any TIBERTI employee on or in the vicinity of job site, unless directly resulting from gross negligence of TIBERTI or its employees after CUSTOMER has fully and timely complied with its obligations in Paragraph 2, (ii) the location of installed or erected improvements or drill holes, (iii) personal property, landscaping or real property improvement loss or damage on or about job site unless directly resulting from gross negligence of TIBERTI or its employees or (iv) any breach or failure of CUSTOMER to timely and properly fulfill any obligation or responsibility of CUSTOMER in this document.

8. If TIBERTI employs an attorney or collection agency to collect sums which become due TIBERTI under this document, CUSTOMER shall pay TIBERTI's reasonable attorneys' fees and collection fees in addition to the sums due. If a matter arising under this document is to be submitted to a dispute resolution process, whether litigation, arbitration or otherwise, the following rights and remedies shall constitute the exclusive rights and remedies of the parties with respect to such proceedings:

(a) TIBERTI shall have available all rights and remedies arising under Nevada Revised Statutes 108.221-108.246 in addition to any and all other rights and remedies expressly set forth in this document.

(b) If the parties are unable to resolve a dispute involving \$5,000 or less, the sole and exclusive remedy for resolution of the dispute (other than as set forth in Paragraph 4 or Subparagraph 8(a) above), shall be to submit the matter to the Justice Court of Las Vegas Township for resolution under the Small Claims provisions of Chapter 78 of Nevada Revised Statutes. Each party hereby waives any right to appeal from a ruling of the Justice Court on the matter. If the parties are unable to resolve a dispute involving more than \$5,000, the sole and exclusive remedy for resolution of the dispute (other than as set forth in Paragraph 4 or Subparagraph 8(a) above), shall be to submit the matter to binding arbitration conducted in accordance with Chapter 38 of Nevada Revised Statutes. Any such arbitration shall be conducted before a single arbitrator selected by the parties. If the parties are unable to agree upon an arbitrator, the arbitrator shall be appointed the court and, if reasonably possible, shall be a former, retired or senior justice of the peace or district court judge who has served in that capacity in Clark County, Nevada. The arbitration shall be undertaken without the conduct of any discovery, save and except an exchange of all documents which each party intends to introduce in the arbitration hearing, copies of which shall be furnished to the other party not less than five (5) business days prior to the date of the arbitration hearing. The arbitration hearing shall consist of a single hearing to be held in Clark County, Nevada. The award of the arbitrator shall be final and binding upon the parties and may be enforced in accordance with the provisions of Chapter 38 of Nevada Revised Statutes. The non-prevailing party shall pay all fees of the arbitrator and other costs of arbitration and shall pay the prevailing party's reasonable attorneys' fees and costs of arbitration, with the amount to be determined by the arbitrator.
