State Contractor's Board No. 43791, 50479 (All Unlimited) Class Type: C-3, C-4

PROPOSAL CONDITIONS

Proposers shall include in their proposals the cost of providing all labor, material, equipment, supervision, services, taxes, insurances, license, fees, overhead, and profit, etc. necessary or incidentally required to complete the subcontractor trade scope of work including, but not limited to, the attached scope of work and clarifications in accordance with the contract documents, specifications and industry best practice.

Proposing Subcontractor confirms that it has visited the site (if necessary), read, understands, and agrees that its proposal is in compliance with all conditions defined in the Notice of Request for Proposals, attached sample Subcontractor Agreement, all insurance requirements, CORE Construction operational and safety requirements, and related Contract Documents.

Any requested changes to CORE's Subcontractor Agreement must be made in writing prior to, or at the time of submission of final pricing proposals. If no change requests are submitted, Subcontractor proposer represents that by submitting its proposal that the sample Subcontractor Agreement will be executed by Subcontractor without change or alteration.

Subcontractor proposer recognizes that time is of the essence in this proposed subcontract. Subcontractor agrees, that if awarded the subcontract hereunder, it will commence the work to be performed under the contract on the date set by the Contractor in its written Notice to Proceed, continuing the work with diligence and will complete all the work per the scheduled Contract Completion date and milestone date(s) as defined by the schedule.

It is understood that this proposal shall remain in effect, and may not be withdrawn, for a period of sixty (60) days from the date that bids are due to be received.

NAMING OF LOWER TIER SUBCONTRACTORS

Subcontractor shall provide the following list of lower tier subcontractor(s) to be utilized in the performance of its scope of work. If no lower tier subcontractors are identified, subcontractor represents that by submitting its proposal that it is self-performing all aspects of the associated scope of work.

Name: N/A Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____

DVBE PARTICIPATION

CORE Construction strongly encourages DVBE participation in this project. The minimum established goal for this scope of work package is 0%.

Percentage of Total Base ("Bid") Proposal that the Subcontractor will contractually commit to utilizing certified DVBE business in the performance of the work.

0 %

Good Faith Documentation is not required if the percentage of DVBE commitment is equal to or greater than the minimum goal. If the percentage is less than the minimum goal, proposer must submit Good Faith Effort Worksheet.

SCHEDULE COMMITMENT

Subcontractor proposers are to plan and price its base ("bid") proposal to meet the schedule provided. All necessary crews, manpower, shifts, acceleration time, premiums required to meet the schedule durations, if applicable, are to be included. CORE Construction encourages that the Subcontractor proposer includes a Voluntary Alternate to provide a more "optimal" schedule duration with a reflective price if applicable.

PROPOSAL ("BID") VALUE BREAKDOWN

Subcontractor proposers should be prepared to provide a preliminary schedule of values (SOV) within 24 hours of submission. SOV should be detailed in accordance with the scope of work, contract documents, schedule, and industry best practices. Breakout labor, material, and all major equipment costs.

ALTERNATES TO BASE ("BID") PROPOSAL

If either the contract documents, or CORE Construction (will be indicated in trade specific Scope of Work) identify Alternates to be priced, Subcontractor proposer shall identify all labor, material, equipment, supervision, services, taxes, insurances, license, fees, overhead, and profit, etc. necessary or incidentally required to complete the work. Alternates identified by the contract documents or the scope of work documents may or may not be selected and should be priced accordingly.

If the Subcontractor proposer chooses to identify any voluntary alternates, either as value engineering, product substitution, and/or scope of work clarification/deviation, etc. the following lines may be used for this purpose. All required / applicable supporting documentation to support the Voluntary Alternate should be included, or noted as to follow within 24 hours, with the submission of this proposal.

CERTIFICATION

By submitting this proposal, the Subcontractor is certifying the following:

- Subcontractor, at the time of submitting its proposal, is in possession of the necessary Nevada State License Board License with the appropriate classification. Subcontractor without a current NSLB license with the appropriate classification at the time of submission of this proposal will be disqualified immediately.
- Subcontractor's failure to follow the complete requirements of this Bid Package may result in disqualification.
- By qualifying any terms of the sample subcontractor agreement, the Subcontractor understands that if CORE and the Subcontractor are unable to reach mutual agreeable terms through a good faith effort than its proposal may result in disqualification.
- By signing this Proposal Form, the Subcontractor is legally authorized to commit all resources of the company and is committing to the terms and conditions stated herein. Your signature commits acceptance and compliance with all Sections, Exhibits, Addenda, Clarifications, Etc. to this Proposal Package.

On May 12, 2026, Proposer's duly authorized officer approved and submitted this proposal.

GENERAL NOTES

By Accepting JCI's bid the General Contractor ("GC") expressly accepts each of these General Conditions. Please note the appropriate license number: Jetstream Construction, Inc. ("JCI") license #'s listed are unlimited. Costs incurred as a result of directives issued by the GC for JCI to proceed with extra work shall be billed by JCI in the payment application after the costs are incurred, regardless of whether a written change order has been issued. Back charges, or any other charges, against JCI are not valid unless GC provides written notice of such to JCI, providing JCI a reasonable time to cure prior to the assessment of the charges. Should JCI's bonding company refuse to provide a bond after reviewing the contract, JCI shall not be obligated to execute the contract, and shall suffer no penalty for not entering into a contract with the GC. JCI shall have the right to reject any contract, without liability or penalty, should the contract not include all scopes of work in JCI's bid not indicated as alternatives. JCI shall provide licensed lower-tiered subcontractors for any portion of the work contained in JCI's bid which JCI is not licensed to perform. JCI reserves the right to withdraw this Bid Proposal, without penalty, obligation, or liability for any damages, if not accepted within 30 days of issuance. JCI's obligation to enter any contract shall be contingent on an agreed upon schedule of values. JCI may refuse to enter any contract, without penalty, obligation, or liability for any damages, should a schedule of values not be agreed upon. JCI's bid price is based upon standard insurance policy coverages consisting of workers' compensation, commercial general liability, and automobile. In the event higher coverage amounts, different terms, and/or Special Insurance requirements are required, then any additional costs will be added to JCI's bid and paid by Owner and/or GC. JCI's bid price specifically excludes Special Insurance requirements. Special Insurance requirements include, but are not limited to, Professional Liability Insurance, pollution insurance, hazardous materials insurance, extended reporting and/or coverage periods, additional insureds other than GC and Owner, waiver of subrogation, and/or umbrella excess liability coverage. The terms and conditions of this Bid Proposal shall be incorporated into any subsequent agreement by reference and shall have the same force and effect as if said Bid Proposal were set forth in full within any subsequent agreement.

If additional information is required, please do not hesitate to contact me.

Respectfully,

David Traster
