Landscape Package Proposal Descope Response

Project: Tonopah HS Sports Field Replacement

Gentlemen,

Thank you for the opportunity to discuss our bid during Black Canyon Construction's descope interview.

Pursuant to the interview, please find the following:

1. Price to expose, break and haul off caliche from POC at gate valve to the quick coupler at the southwest corner of the football field, approximately 870lf. This price is based upon continuous progress of scope. Caliche will be stockpiled, hauled off and disposed of in Las Vegas, NV. \$54,130.00
2. Price to cover (2) Long Jump pits (L1.01, RS-106) including drainage pipe connecting to civil POC Storm Drain, concrete excluded \$19,915.00
3. Price to place 2" screened Beatty Gold along East slope. This price is in lieu of the original add alt that was provided at time of bid to cover larger rock and geofabric for slope. \$46,475.00
4. Price to Place 3-8" Beatty Gold in RipRap Swale (Subgrade to be provided by others) \$41,795.00
5. Price to provide (2) Benches and (2) Trash Receptacles per plans and specifications \$21,505.00

Please let me know if you have any questions.

Sincerely,

B L A C K C A N Y O N
