Good afternoon,

I have our prices that you asked for this morning, to have us do the letters and bulletin board on the north elevation of the concession building.

For the outdoor bulletin cabinet (keynote 6-01 on A5-10), our price is \$1,480. This includes furnishing and install of bulletin cabinet.

For the letters, we have two options.

Option 1: Flat metal letters. 1/8" thick, powder coated, with mounting studs, includes installation. Price - \$6,780

Option 2: Metal channel letters - 2" deep channel letters with mounting studs, powder coated, includes installation. Price - \$12,892

Let me know if you need anything else!

Thanks,

Gerrit Noorda
