SCOPE OF WORK: #066 Fluid Applied Flooring

SUBCONTRACTOR

Subcontractor's Firm Name: SI Legacy Floor Finishing Inc.

Address: 1315 Financial Blvd Reno, NV 89502
Mailing Address City State Zip

Physical Address (If Different) City State Zip

Telephone: 775-203-0371 Fax: _____

Contact Name: Luis Hernandez Email: luish@silegacy.com

State Contractor's Board No. 0082518, 0075964 Class Type: C5, C16

PROPOSAL CONDITIONS

Proposers shall include in their proposals the cost of providing all labor, material, equipment, supervision, services, taxes, insurances, license, fees, overhead, and profit, etc. necessary or incidentally required to complete the subcontractor trade scope of work including, but not limited to, the attached scope of work and clarifications in accordance with the contract documents, specifications and industry best practice.

Proposing Subcontractor confirms that it has visited the site (if necessary), read, understands, and agrees that its proposal is in compliance with all conditions defined in the Notice of Request for Proposals, attached sample Subcontractor Agreement, all insurance requirements, CORE Construction operational and safety requirements, and related Contract Documents.

Any requested changes to CORE's Subcontractor Agreement must be made in writing prior to, or at the time of submission of final pricing proposals. If no change requests are submitted, Subcontractor proposer represents that by submitting its proposal that the sample Subcontractor Agreement will be executed by Subcontractor without change or alteration.

Subcontractor proposer recognizes that time is of the essence in this proposed subcontract. Subcontractor agrees, that if awarded the subcontract hereunder, it will commence the work to be performed under the contract on the date set by the Contractor in its written Notice to Proceed, continuing the work with diligence and will complete all the work per the scheduled Contract Completion date and milestone date(s) as defined by the schedule.

It is understood that this proposal shall remain in effect, and may not be withdrawn, for a period of sixty (60) days from the date that bids are due to be received.

NAMING OF LOWER TIER SUBCONTRACTORS

Subcontractor shall provide the following list of lower tier subcontractor(s) to be utilized in the performance of its scope of work. If no lower tier subcontractors are identified, subcontractor represents that by submitting its proposal that it is self-performing all aspects of the associated scope of work.

Name: N/A Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____
Name: _____ Scope of Work: _____ NSCB No.: _____

DVBE PARTICIPATION

CORE Construction strongly encourages DVBE participation in this project. The minimum established goal for this scope of work package is 0%.

Percentage of Total Base ("Bid") Proposal that the Subcontractor will contractually commit to utilizing certified DVBE business in the performance of the work. 0 %

Good Faith Documentation is not required if the percentage of DVBE commitment is equal to or greater than the minimum goal. If the percentage is less than the minimum goal, proposer must submit Good Faith Effort Worksheet.

SCHEDULE COMMITMENT

Subcontractor proposers are to plan and price its base ("bid") proposal to meet the schedule provided. All necessary crews, manpower, shifts, acceleration time, premiums required to meet the schedule durations, if applicable, are to be included. CORE Construction encourages that the Subcontractor proposer includes a Voluntary Alternate to provide a more "optimal" schedule duration with a reflective price if applicable.

PROPOSAL ("BID") VALUE BREAKDOWN

Subcontractor proposers should be prepared to provide a preliminary schedule of values (SOV) within 24 hours of submission. SOV should be detailed in accordance with the scope of work, contract documents, schedule, and industry best practices. Breakout labor, material, and all major equipment costs.

ALTERNATES TO BASE ("BID") PROPOSAL

If either the contract documents, or CORE Construction (will be indicated in trade specific Scope of Work) identify Alternates to be priced, Subcontractor proposer shall identify all labor, material, equipment, supervision, services, taxes, insurances, license, fees, overhead, and profit, etc. necessary or incidentally required to complete the work. Alternates identified by the contract documents or the scope of work documents may or may not be selected and should be priced accordingly.

If the Subcontractor proposer chooses to identify any voluntary alternates, either as value engineering, product substitution, and/or scope of work clarification/deviation, etc. the following lines may be used for this purpose. All required / applicable supporting documentation to support the Voluntary Alternate should be included, or noted as to follow within 24 hours, with the submission of this proposal.

CERTIFICATION

By submitting this proposal, the Subcontractor is certifying the following:

- Subcontractor, at the time of submitting its proposal, is in possession of the necessary Nevada State License Board License with the appropriate classification. Subcontractor without a current NSLB license with the appropriate classification at the time of submission of this proposal will be disqualified immediately.
- Subcontractor's failure to follow the complete requirements of this Bid Package may result in disqualification.
- By qualifying any terms of the sample subcontractor agreement, the Subcontractor understands that if CORE and the Subcontractor are unable to reach mutual agreeable terms through a good faith effort than its proposal may result in disqualification.
- By signing this Proposal Form, the Subcontractor is legally authorized to commit all resources of the company and is committing to the terms and conditions stated herein. Your signature commits acceptance and compliance with all Sections, Exhibits, Addenda, Clarifications, Etc. to this Proposal Package.

On 05/12/2026, 2026, Proposer's duly authorized officer approved and submitted this proposal.
