Subject: RE: [EXTERNAL] Bid Invite: NCSD - Tonopah High School Sports Complex Pro...
Attachments: NCSD_THS_SPORTS_FIELD_REPLACEMENT_Quote.pdf

Hey Dawn,

As promised, please see attached proposal. Please note I left install as the last item as an add alt which was not included in the proposal total. It's left as an alternate.

Let me know if you have any questions. I did not include item number 11 or item number 3, which are both listed as existing to be salvaged. (by others)

See below notes in **RED** based on your scope sheet.

a. Supply and install all Contractor-Furnished, Contractor-Installed (CFCI) Food Service Equipment per plans, equipment schedule, and related items as indicated and specified, including: **Install listed separately.**

i. Reach in refrigerators. **Included.**

ii. Stainless steel items, including jambs at overhead serving doors. **No door jams or other stainless steel items that do not have a listed item number on the warming kitchen drawings and are not shown on my quote are not included**

iii. Stainless steel worktables and slotted wall shelves. **Included.**

1. Includes supply and installation of stainless steel pass-thru countertop at **stainless steel pass-through countertop is included. Install is listed separately.**

Concessions window 106A, including all plywood substrate, bracing, and backing as detailed and required. See section detail 3/A7.10 for requirements. **Plywood substrate or backing not included to be done by framing.**

iv. Stainless steel sinks, including three (3)-compartment and hand sink, are salvaged and installed by others (not a part of this scope of work). **Noted, "not included."**

b. Coordinate with Electrical Subcontractor for equipment connection requirements. **Limited only remote**

c. Install only all Owner-Furnished, Contractor-Installed (OFCI) Food Service Equipment per plans, equipment schedule, and related items as indicated and specified, including: **owner-furnished equipment is not included to be installed.**

i. Microwave Ovens. **Confirm model. No model number provided in drawings. No specifications available.**

ii. Four-Tier Storage Racks. **These items are shown as owner furnished, owner installed**

d. Provide all anchors, fasteners, and sealants required to provide a complete scope of work. **Included with install, which is left as an alt.**

e. Provide final adjustments, start up, and training as specified. **No startup or training required for this equipment.**

f. Provide all tests and certifications required for complete and operational systems. **None required for this equipment.**

Thank you,

Neil Posen

Prices Good Until: 05/29/2026

Pricing:

- Due to supply shortages and manufacturer price increases, quoted pricing will increase if tariffs and price increases are imposed after the quote date. Documentation from the manufacturers will be provided as needed.
- Quoted pricing is per manufacturer's standard spec and does not include any optional accessories, unless listed separately. Quote and website images may not accurately represent items included in quote.
- Any changes, including but not limited to quantities, omissions, addition of item or any freight changes, will negate this quote.
- Shipping, handling, liftgate, installation, set in place or applicable sales tax are not included in quoted price unless otherwise noted. Liftgate delivery, which is the unloading of material from the truck to the ground, may be needed if you do not have a forklift or loading dock. Any shipping charges quoted are estimated and may be subject to change.
- When installation is included in quote, the price includes non-union liftgate delivery of all equipment to job site, including uncrating and set in place. Installation, if quoted, does not include any final connections by other trades.
- Full payment must be received before order is processed, unless otherwise noted. All merchandise remains under Culinary Depot ownership until order is paid in full.

When receiving your order:

- Confirm the pieces received match the freight bill and note any discrepancies on the freight bill.
- Check for any visible damage such as crushed corners, puncture holes, and broken pallets. If possible, open packaging before signing to check that product is in good condition.
- If any damage to packaging, pallet, or item is found it is best for you to refuse the shipment. Otherwise, be sure to note **Damaged Shipment** on the freight bill and have the driver sign all copies.
- After signing the freight bill, uncrate as soon as possible to check for concealed damage. Report any damage immediately, no later than 2 days from date of delivery.
- If damages are not reported before the truck departs, we will be unable to offer any credits for the damaged items as the liability falls on the receiver. If you are unsure whether an item is damaged and are unable to properly check the merchandise before the truck leaves, please refuse the delivery and contact us.

Delivery Fees/Restrictions:

- In the event of a delivery delay, Culinary Depot can store the equipment at no charge for 7 days; thereafter storage fees may apply.
- Delivery quotes are based on one-time delivery only. Additional charges may apply for additional deliveries.
- Culinary Depot reserves the right to make delivery in installments. All such installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries.
- Delay in delivery of any installment shall not relieve buyer of its obligation to accept remaining installments.

Returns:

- Returns must be initiated within 30 days of receipt of order. Culinary Depot may refuse return of any used and uncrated equipment.
- All returned equipment is subject to a 25% restocking fee plus freight and must be in original carton. Canceled orders that have already shipped out, are also subject to restocking fees.

- Special order items are non-refundable and must be paid in full prior to production. If you are unsure whether your order is considered ‘special order’ please check with your salesperson prior to placing your order.

Compliance to local health, plumbing, electrical and ventilation codes are the sole responsibility of the customer.

We do all we can ensure everything goes right; however, things don’t always go as planned. If you are not completely satisfied, please feel free to call us at 888.845.8200. The team at Culinary Depot is committed to make it right for you.
