

American

Air Balance Co., LLC

Date: May 11, 2026

Company Name: **Core Construction**

Attn: **Dawn Duranleau**

RE: **NCSD Tonopah HS Sports Field Replacement, Tonopah**

American Air Balance Co., LLC is honored to provide our services to your firm for the above referenced project as per plans dated: 4/20/26 & specification section: 230593.

This proposal is inclusive of providing the following:

- Certification of Air Moving Systems.
- Temperature Testing.
- HVAC Controls Verification.
- Building/Zone Pressurization.

All work will be provided and/or supervised by "AABC Certified Technicians" with current certification.

The price for this work is.....\$8,250.00

Alternate Add for Duct Detector Testing @ \$125.00 each.*

***Unit price for Duct Detector(s) contingent upon duct detector(s) being ready at time of balance, otherwise Duct Detector Testing to be provided on a T & M basis with a (4) hour minimum field charge.**

Excludes: Participation in the Commissioning process.

This proposal will remain in effect for 90 days.

This proposed price is contingent upon the following conditions being met:

1. Written acceptance within 90 days along with a project schedule.
2. The latest plans & specification, with all addendums and changes, will be delivered to our office a minimum of 30 days prior to mobilization.
3. All HVAC Systems and components shall be fully operational and complete with written verification provided prior to commencing our service.
4. Five (5) days advance notice is requested and a minimum of three (3) days advance notice is required for mobilization. Emergency requests for mobilization will be at additional costs.

Our quote is based upon our Standard Terms and Conditions of Engagement as published on our website: www.americanairbalance.com, copies available upon request. Deviation from these conditions and lack of documentation may result in increased fees.

Any additional charges will be at a T & M basis at our published Contract Rate when the work is provided, with a (4) hour minimum.

The exclusions for this project are as follows:

- Overtime/Off-hours/Project Phasing.
- Purchasing, sizing and/or installing sheaves and belts.
- Any cost related to motor damage or failure as a result of increasing the fan speed to meet the required air quantity is excluded.
- Repairs, Adjustment, or Investigation of systems not shown on drawings.
- Control Programs, Components, Software & Hardware.
- Additional insurance coverage (AI) Endorsement, Scheduled Endorsements, changes to our policy limits, Pollution Liability, Environmental Impairment Liability, Professional Liability or Extended Overhead costs related to OCIP/CCIP.
- Performance and/or Payment Bonds.
- Re-testing and/or Re-inspections.
- Fire Life Safety Testing/QAA Testing.
- Duct Detector/Smoke Fire Damper Testing.
- Participation in the Commissioning process.
- Liquidated Damages.
- Duct Leakage Testing.
- Title 24 Acceptance Documents.
- Domestic Hot Water Systems.
- Man lift.
